

Summer 1 Homework – Year 4 Cherry Class

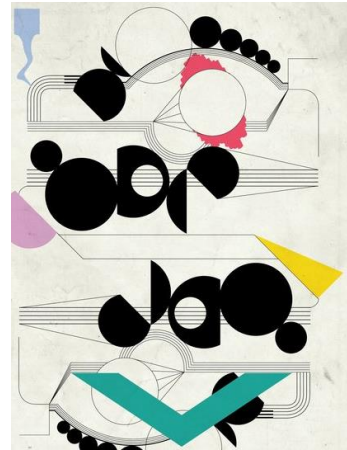

Due: Friday 23rd May for display in the Homework Festival

This half term we will be starting our topic of 'What type of art makes a sound?', which links with our science topic of Sound (How Do We Hear?).

Topic Homework: What Type Of Art Makes A Sound?

Here are some ideas for a homework project. Don't forget that you will also be presenting it to the class. You should tell everyone what it is, why you chose to do it, how you did it and something that you learned during the project.

Draw or paint your own graphic score to represent sounds.

Listen to a piece of music and paint or draw what it represents to you.

Make a model or sculpture with found items that makes a sound.
