Why Was Tutankhamun's Discovery So Important?

For your homework, choose an activity that interests you. You should want to research and find out more. My suggestions are:

- ✚ Make a replica model of Tutankhamun's famous death mask (Card? Papier-mâché? Modroc? GOLD PAINT!)
- ✚ A diorama of one of the rooms in his tomb
- ✚ A model of his tomb
- ✚ Make a model of an artefact discovered in his tomb
- ✚ Design a poster debating about whether he died from illness an accident or was killed
- ✚ Stain some paper and make an old diary written by one of the workers – perhaps the water boy!

These are my suggestions. You might have an even better idea.
