

Laurel Class

Autumn 1 Homework

This half term we are exploring the Stone, Bronze and Iron Ages of pre-history. At the end of the term, you will be deciding if you would prefer to have lived in the Bronze or Iron Age.

Your homework challenge is to create a replica of an artefact from any of these time periods.

Maybe you'll make a Stone Age necklace or cave painting, a Bronze Age hand axe or farming tools? Perhaps you'll be super creative and produce some Iron Age jewellery or build your own hillfort.

Remember you also need to be prepared to talk about your creation with the class.

Please bring your homework to school by Tuesday 21st October so that it can be included in our Homework Festival at the end of term.
