SCHOOL FAMILY PICNIC 3.15-5.30

6 Creative Arts Week

6 KS1 Sports Day

7 KS2 Sports Day

7 Yr6 Leavers Service in church

10 Yr6 BBQ and disco 5-7

17 Yr6 Leavers Assembly

17 LAST DAY OF TERM

Science Week had the children focussing on 'Curiosity-What is my question?' Thank you to all of the parents who came in to share their related work interests and their own curiosity. Thank you to Miss Hnat for organising it all.

Class News

Nursery have painted eggs for Easter. Their beans have really shot up and they will be taking their beanstalks home. Maybe Jack will visit?

Reception really enjoyed Science Week with lots of activities.

This included birdwatching, filtering sandy water through marbles and other materials and also wiping clean and dirty hands on slices of bread to see if any mould grew differently.

Yr1 had an adventurous Trees Matter yesterday, experiencing 4 seasons all in one! They had the sensory experience of hail stones on their skin and also spent time watching the ducks. They were asked to reflect and to try to link their thoughts and feelings to their growing understanding of spirituality.

Yr2 have been studying, 'Why does Easter matter to Christians?' and have made their own 'eggstravaganza trees' from natural objects from the playground and decorated eggs.

Laurel looked for water related vocabulary on their recent Trees Matter trip and wrote poems using these words to relate to the water cycle and the beauty and tranquillity of water.

Holly had a French focus to their Trees Matter and conducted a French language scavenger hunt in Cherry Hinton Hall Park.

Elder have been inspired by the work of Krijin de Koning and used Lego and sticklebricks to make their own 3D installations.

Gold Book – vision and values in action Well done to all for demonstrating the school values in their learning and towards others.

Oak – Jordan, Oishee, Rizvi, Ellie

Olive – Aahil, Leo, Ewaan, Meenakshi

Chestnut - Nafisa, Lily, Samuel, Michelle

Laurel – Dayton, Fleur, Teddy, Lily

Holly – Zion, Danielle, Bella,

Elder – Shazod, Meha, Dan, Liz

Sporting Hero

Kasper for remembering so well the class discussions about the different areas of a football pitch and putting this knowledge into practice in PE lessons: keeping in the lines and involving all team members.

Expect Respect – This week we welcomed staff from Women's Aid into school. They worked with all classes on how to have respectful friendships and also encouraged children to challenge gender stereotypes. There were many interesting conversations around the jobs men and women have and if both men and women can do any job. Thank you to Miss Marsh for organising this enrichment of the PHSCE curriculum.

Attendance

R-97%, Yr1-97%, Yr2-97%, Laurel- 96%, Holly 91%, Elder 94%.

Congratulations to Megha in Yr5 who has won the Young Artist Drawing Competition run by the Rotary Cambridge. Here is a link to her artwork- [Young Artist Competition 2026 RESULTS - Rotary Cambridge](#)

Teddy Bear hospital

Last Tuesday Ms Haiselden, Miss Louise and Mrs Northfield took their teddy bears and 20 children and their soft toys on the bus to Addenbrookes. There we attended the Teddy Bear Hospital run by trainee doctors. Together we checked what was wrong with our teddies, bandaged up any broken paws, operated on the doctors' sick teddies and learnt how to call an ambulance. All the adults were impressed by the knowledge of the children and how well they know how to keep safe in an emergency.

Growth Mindset quote-

As we come to the end of another term, 'Success isn't about the end result. It's about what you learn along the way.' Vera Wang. And we have certainly learnt a lot! Happy Easter. Sally Haiselden
