

Holly Class Summer 1 Homework

The Battle of Britain: Was this the battle that won the war?

Our topic this half term is about World War 2: how it began and key events

The homework suggestions are just that – suggestions. Your child may discover something during research that sparks their interest and they might want to create something I haven't thought of.

Ideas:

- Research an aircraft, ship or tank that took part in WW2. Make a model, drawing or collage and don't forget to include a description.
- Look at the leaders in WW2. Create a PowerPoint or a piece of research about one of them.
- Make a model of a gas mask.
- Make a model of an Anderson shelter.
- Create a fact-file about the life of a child during World War 2. This should contain facts about everyday life including evacuation, rationing, the Blitz.
- Make a word search of places, names and words connected with WWII.
- Make some flags from fabric for countries involved in WWII.
- Make a newspaper report about your street or city being bombed in WW2.
- Write your name or a message in Morse code.

There is no end to the possibilities. The homework should be something your child is interested in.

They will also be asked to present their homework to the class. This should include:

- what the homework is
- why they chose that homework
- how they researched or made it
- something they learned from it
- something interesting to tell the audience
