Class News

Nursery have tried porridge and just like Goldilocks, found it 'just right'. They have also made honey sandwiches and see hoe 'just right' these are too.

Reception have been imagining 'The Gruffalo' in Drawing Club and imagining ways to catch him, including building a big cage and tricking him with a mouse.

Yr1 have been exploring different materials in art to make sculptures, these have included cardboard, ribbons, and 'googly eyes'.

Yr2 are getting into their new book, 'The Hunter' set in Cape Town and are enjoying learning about Africa.

Laurel really impressed museum staff with their knowledge of Greek culture, art and theatre when we visited The Fitzwilliam.

Holly have been engaging with Jub, the character in their class book who collects happy endings. As the witch has stolen them the class are writing some new endings.

Elder sat and listened so well on the visit to The Buddhist Centre and impressed the centre staff with their knowledge. We all enjoyed meditating. Yr6 enjoyed a very inspiring trip to see Matilda, which has set the bar high for our own school performance!

Elliot for his golfing skills, playing against children much older than him at a local golf course.

FIDGET TOYS, SQUISHY TOYS and CARDS – could you please help staff by encouraging your children to leave fidgets, squishies and Pokemon and other such cards at home. The use of these is starting to spill over into lesson time, items are becoming lost and children are being distracted from their learning. School does provide some children with fidget toys if it helps with concentration and this is agreed with Mrs Cooper our SENDCO, the class teacher and the parents. If you feel your child does need a fidget or squishy then please arrange a meeting with Mrs Cooper.
