17 LAST DAY OF TERM

**BEACH TRIP** – We all enjoyed another day of sheer fun and happiness paddling and playing in the sand. The joy on the faces of those children who had never experienced the sea before was just magic. Thanks to the team for working hard to ensure the day went so well. There is enough money in the school trust fund which the Diocese has for our school to be able to fund the coaches again next year. HURRAH!

**HOT HOT!** What a team! A huge thanks to all of the staff who this week, despite the heat and its challenges have, 'Kept calm, as cool as possible and carried on'. Thanks also to you parents for trusting us to manage the situation safely, and in a pragmatic but sensitive way.

### Class News

**Nursery** have been learning how to handle hot weather with lots of water play, sandpit and water pistols.

**Reception** have spent the week writing about the beach trip and many were inspired to be very creative writing about sharks and deep holes.

**Yr1** had a fun trip to Anglesey Abbey where they had a problem solving activity den building. They also did some detailed observational drawing of natural objects; feathers, pine cones in particular.

**Yr2** have been learning about money and understanding the values of notes and coins. They have also invented their own character to weave into 'The Hunter' story set in the South African savannah.

**Laurel** were at Cherry Hinton Hall park this week for their termly Tress Matter trip. Everyone enjoyed a session of calm and focus with the children listening to the natural sounds around them and then drawing what those sounds made them think of. Ms Haiselden really enjoyed the trip too.

**Holly** have been using data loggers to record air temperatures both inside and outside the classroom and to then plot graphs and interpret them. Inspired by their World War 2 topic they have been learning their sewing stitches ready to make a 'Make do and Mend' item.

**Elder** – Miss Louise organised a visit from the Council to talk to children about anti-social behaviour; how to recognise it and how to confront it safely.

### Gold Book – vision and values in action

Well done to all for demonstrating the school values in their learning and towards others.

**Oak** – Emaan, Franklyn, Louisa, Gauri, Jordan for their Drawing Club work

**Olive** – the whole class for their sharing assembly, great listening at the beach and fantastic behaviour at Anglesey Abbey

**Laurel** – the whole class for an amazing sharing assembly last week. You all worked as a team and it was an excellent performance.

**Holly** – Fahed for his friendship in class, teaching others how to do an activity he learned

**Elder** – Alexine for her courage in stepping up at the last minute to replace someone in the dress rehearsal of the Yr5/6 performance. Ailsa for always showing Agape and kindness

**Some parents still continue to park illegally, unsafely, on private roads and in a manner upsetting to our neighbours. Let's hope this survey resolves some of these issues.**

**Yr 4/5/6 Athletics Competition-** this gave out team the experience of competing at a real athletic venue, all taking part in a 75m sprint, 600m run, standing long jump and howler throw.

**CONGRATULATIONS to Joshua** for winning a medal for coming second in his sprint group

**Growth mindset quote** 'If the highest aim of a captain was to preserve his ship, he would keep it in port forever'. Thomas Aquinas. Hope to see lots of you at the picnic next Friday.
