EYFS Curriculum Early Learning Goals

|   |                        |                  |                                                                                                                                                                   |
|---|------------------------|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Knowledge of the World | Myself           | Children talked about the differences they notice between people, whilst also drawing their attention to similarities between different families and communities. |
| 2 | Knowledge of the World | Past and present | Children talked about past and present events in their own lives and in the lives of their family members.                                                        |

## Vocabulary (Words I need to know)

|                                                                                     |         |                                                                                                                                                       |
|-------------------------------------------------------------------------------------|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
|    | sight   | Your eyes let you see all the things around you.                                                                                                      |
|    | hearing | Your ears let you listen to all the things around you. Your brain can tell what different sounds are.                                                 |
|   | touch   | Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!                          |
|  | taste   | Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't. |
|  | smell   | You smell using your nose. Your nose can tell if things smell nice or not nice.                                                                       |

## Facts I need to learn now

|   |            |                                                                |
|---|------------|----------------------------------------------------------------|
| 1 | The Body   | To identify, name and draw basic parts of the human body.      |
| 2 | The Senses | There are 5 senses. Sight, hearing, touch, taste and smell.    |
| 3 | The Senses | To know which part of the body is associated with which sense. |

What I will learn next

Changes within living memory.

- 1 Comparing how toys have changed over time.
