

Chestnut Class

(Year 2)

Autumn 1 Homework

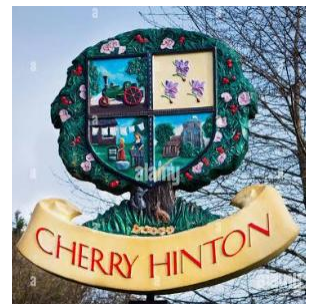

Why should the Lonely Beast stay in Cherry Hinton?

During the first part of the Autumn Term, we will be looking at our local area and thinking about the geography that makes it so diverse.

Your homework challenge is to create something which showcases your learning about this topic. You are free to create and share anything at all. You might choose artwork, story-telling, food, costume or clothes – here are some ideas.

You could create:

- A model of the village or city landmark/building
- A postcard or letter to the Lonely Beast about all the wonderful things to see here
- Design own map of Cherry Hinton or your route to school
- A photo collage of your favourite place
- A fact file about a local hero or historical figure
- An interview with a local resident

The choice is yours!

We are excited to see what you create. Please bring your homework to school in the week commencing **Monday 19th October** so that we can share them in class before the Homework Festival that week.
